

JD Retail — Product Information Guide

Document Version: 1.0 Last Updated: 29 July 2026

Overview

This guide describes the key products in the JD Retail range: their design, materials, fit and sizing, and care instructions. Prices and live stock levels are held separately in the retail system and are not repeated here.

1. Trainers

Nike Air Max 270

The Air Max 270 is a lifestyle trainer built around Nike's largest heel Air unit for all-day cushioning. The upper is a breathable engineered mesh with synthetic overlays for support. It is available in UK sizes 6 to 12, including half sizes, and fits true to size. Wipe the upper with a soft damp cloth; do not machine wash. Best for everyday wear and light activity.

Nike Air Force 1

A classic low-top trainer with a durable leather upper and a padded collar for comfort. The cupsole provides a firm, stable ride. Available in UK sizes 5 to 13. The leather can be cleaned with a soft brush and sneaker-safe cleaner. Best for casual, everyday styling.

Adidas Samba OG

A heritage court trainer with a soft leather upper, suede toe overlay, and gum rubber outsole. It has a low, slim profile and runs slightly small — we recommend going half a size up. Available in UK sizes 4 to 12. Protect the suede with a spray protector; spot clean only.

Adidas Gazelle

A retro suede trainer with a slim silhouette and a contrasting T-toe. Made from soft brushed suede with a leather lining. Available in UK sizes 4 to 11. Suede should be brushed clean and protected with a suede spray. Best for casual, vintage-inspired outfits.

New Balance 530

A retro running-inspired trainer with a mesh and synthetic upper and NB's ABZORB cushioning for a soft underfoot feel. Fits true to size; available in UK sizes 5 to 12. Machine washing is not recommended — clean with a damp cloth. Best for everyday comfort and light walking.

Puma RS-X

A chunky, bold "Running System" trainer with a mesh and textile upper and a thick foam midsole for a cushioned, dad-shoe look. Available in UK sizes 6 to 12 and fits true to size. Spot clean with a soft cloth. Best for statement casual wear.

Converse Chuck Taylor

The iconic canvas high-top with a rubber toe cap and vulcanised sole. The cotton canvas upper is lightweight and breathable. Available in UK sizes 3 to 12 and runs about half a size large. Machine washable on a cold, gentle cycle inside a laundry bag; air dry only.

Vans Old Skool

A skate classic with a canvas and suede upper and the signature side stripe. It has a padded collar and a waffle rubber outsole for grip. Available in UK sizes 3 to 12; fits true to size. Spot clean the suede panels; do not tumble dry.

2. Running Shoes

ASICS Gel-Kayano

A premium stability running shoe with ASICS GEL technology in the heel and a supportive engineered-mesh upper, designed for runners who overpronate. It offers structured cushioning for long distances. Available in UK sizes 6 to 13. Remove the insoles and air them after runs; do not machine wash. Best for road running and high-mileage training.

3. Hoodies and Sweatshirts

Nike Tech Fleece Hoodie

A lightweight hoodie made from Nike's Tech Fleece — a smooth, double-layered cotton-blend fabric that is warm without bulk. It has a zip front, a three-panel hood, and zip pockets. Available in sizes XS to XXL. Machine wash cold, inside out; do not iron the print. Best for warmth as a mid-layer or on its own.

Adidas Essentials Hoodie

A relaxed-fit pullover hoodie in soft cotton-blend French terry, with a ribbed hem and cuffs and a kangaroo pocket. Available in sizes XS to XXL. Machine wash warm and tumble dry low. Best for everyday casual wear.

Jordan Jumpman Hoodie

A heavyweight pullover hoodie in brushed-back fleece with an embroidered Jumpman logo and a lined hood. It has a roomy, relaxed fit. Available in sizes S to XXL. Wash inside out on a cold cycle to protect the embroidery. Best for warmth and streetwear styling.

4. Bottoms

Nike Tech Fleece Joggers

Tapered joggers in the same lightweight Tech Fleece fabric as the hoodie, with zip pockets and elasticated ribbed cuffs. Available in sizes XS to XXL. Machine wash cold, inside out. Best worn as a matching set with the Tech Fleece Hoodie.

Adidas Performance Shorts

Lightweight training shorts in recycled polyester with moisture-wicking AEROREADY technology and an elasticated drawcord waist. Available in sizes XS to XXL. Machine wash cold; do not use fabric softener, which reduces wicking. Best for gym training and running.

5. T-Shirts

Nike Dri-FIT T-Shirt

A training t-shirt in Dri-FIT fabric that pulls sweat away from the skin to help you stay dry. It has a standard, slightly loose fit. Available in sizes XS to XXL. Machine wash cold and avoid fabric softener to preserve the wicking finish. Best for workouts and sport.

Puma Essentials T-Shirt

A soft everyday t-shirt in 100% cotton jersey with a ribbed crew neck and a regular fit. Available in sizes XS to XXL. Machine wash warm and tumble dry low. Best for casual everyday wear.

6. Accessories

Under Armour Backpack

A durable everyday backpack with a water-resistant coated exterior, a padded laptop sleeve that fits up to a 15-inch laptop, and adjustable padded shoulder straps. Approximately 30 litres. Wipe clean with a damp cloth. Best for commuting, gym, and study.

The North Face Backpack

A rugged backpack with a padded 15-inch laptop compartment, a FlexVent suspension system with padded straps, and multiple organiser pockets. Approximately 28 litres and made partly from recycled fabric. Spot clean only. Best for commuting and hiking day trips.

Nike Everyday Socks

Cushioned cotton-blend crew socks with arch support and a reinforced heel and toe, sold in multipacks. Available in shoe-size bands S, M, and L. Machine washable warm. Best for sport and everyday wear.

Adidas Baseball Cap

A six-panel cotton twill cap with an embroidered logo, a curved brim, and an adjustable strap-back closure for a one-size-fits-most fit. Spot clean only; do not machine wash to keep the brim's shape. Best for casual sun cover.

7. General Guidance

Sizing: trainers are listed in UK sizes; apparel in XS to XXL. Where a product runs small or large, it is noted in that product's entry above.

Care: always follow the specific care note for each product. As a rule, wash sportswear cold and avoid fabric softener, which can reduce moisture-wicking performance.

Questions: for anything not covered here, contact Customer Support, who are available Monday to Saturday, 9:00 AM to 6:00 PM.
